

## How to find us

### From M62 / A63

Take the turn off signposted for Hull Royal Infirmary. At the first roundabout go straight on. When you reach the traffic lights, turn right onto Anlaby Road. At the first set of major traffic lights, turn right onto Icehouse Road.

Take the first left (this is still Icehouse Road). Carry on until you come to the Goodwin Club (previously known as the Coxswain Public House). Complimentary car parking is available within the Goodwin Club car park (owned by Goodwin Development Trust Limited) or the Goodwin Centre visitors car park opposite. Please report your car registration number to the reception desk.

### From Beverley Road (A1079)

Continue from Beverley Road, driving straight on through all the traffic lights for approximately 3 ½ miles where you will arrive at a major road junction controlled by traffic lights. You will see the Hull Daily Mail building to your right. Drive straight across these lights and continue forward until you see the Railway Station and the Quality Royal Hotel to the right. At the next main junction with traffic lights, turn right onto Anlaby Road. At the next set of lights turn left onto Icehouse Road.

Take the first left (this is still Icehouse Road). Carry on until you come to the Goodwin Club (previously known as the Coxswain Public House). Complimentary car parking is available within the Goodwin Club car park (owned by Goodwin Development Trust Limited) or the Goodwin Centre visitors car park opposite. Please report your car registration.

## Arriving by Train

From the main concourse take the exit to the right. Turn right onto the car park and left again where you will see the gates in an alley between the buildings. This brings you out onto Anlaby Road. Cross the road and turn right. Walk down Anlaby Road and take the second turn left onto Pease Street. At the T-junction, turn right onto St Luke's Street and left again at the next T-junction onto Icehouse Road. The Goodwin Centre is immediately to your right. Report to reception on arrival. The walk will take you approximately 5 minutes.
